After you register on the site, your email address is automatically included in the contact list and periodically sent the site's newsletter. (a) name and surname (b) sex (c) date of birth (d) telephone number (e) home address (f) email (g) username and password

Rights of those concerned

The person to whom the personal data refers is entitled at any moment to obtain confirmation of whether the Data Controller is in possession of the data or not, to find out what the data includes and where it came from, to check if it is correct or request to integrate, cancel, update or rectify it, make it anonymous or block illegally processed data, as well as to oppose its processing, in any case for legitimate reasons. The requests must be sent to the Data Controller to the address indicated in the "Data Controller" section. Definitions

Personal Data

Any information relating to a physical person, legal entity, institution or association that has been or can be identified, also indirectly, through reference to any other information, including navigation data.

Navigation Data

Data collected automatically from the site, amongst which: IP addresses or domain names of the computers used by the users who connect to the site, URI (Uniform Resource Identifier) addresses, the time of the request, the method used to make the request to the server, the size of the file obtained in response, the numeric code indicating the type of answer from the server (successful, error, etc.), the country of origin, the characteristics of the browser and operating system used by the visitor, various time statistics concerning the visit (for example the time spent on each page) and details relating to the itinerary followed in the site with particular reference to the sequence of pages consulted and other parameters relating to the user's operating system and computing environment.

User

Indicates the subject using the services or products on the site that the Personal Data relates to.
